EXIT INTERVIEW QUESTIONS

1. Comment on the following items relative to the Agronomy Department and the University of Florida
 - A. Staff support for registration and other issues:
 - B. Quality of classes:
 - C. Support (financial):
2. Has your academic and research experience been what you expected it to be? Why or why not?
3. Assess the mentorship received from your major professor?
4. Assess the engagement and educational support received from other professors in the department or university?
5. Do you feel the program has prepared you for your future career? What skills will be useful in your future career and what skills do you wish could have been further developed?
6. What improvements can be made in the academic and/or research experiences in the Agronomy graduate program?

AFTER GRADUATION INTENT/JOB PLACEMENT

Note to PhD students – The UF Graduate School requires that Agronomy insert job placement data. The statistics are posted for our major on the Grad School website for purposes of assisting applicants. Even if you are in the process of obtaining a position, please complete as much as possible and provide updates, as they happen, to Lorraine at whitelm@ufl.edu. Thank you!)
