TA office hours are open for all students via Zoom. However, to maximize help needed for students to be successful in the course, each student will be assigned to a specific TA for communication beyond TA hour to discuss any specific questions, issues, exams, and homework assignments. Each TA will form a group in canvas to communicate with the assigned students.

*These office hours are specifically when I will be available in the office for questions. If a student needs to come by at other times, it is wise to schedule an appointment (send an e-mail).

Zoom office hour links will be on Canvas in the “Office hours” page.

COURSE DESCRIPTION
AGR 3303, Genetics, will present a comprehensive coverage of the principles, theory and applications of genetics. Topics include the chemical nature and structure of genetic material, gene expression and regulation, cell division, chromosome number and structure variation, principles of inheritance, molecular genetic techniques, and basic concepts in population and quantitative genetics.

LOCATION AND TIME
Online – Canvas (https://elearning.ufl.edu) Asynchronous. Lectures will be posted online in PowerPoint format with a voiceover recording. Download and run presentations on your computer to view.

COURSE OBJECTIVES
Upon completion of AGR 3303 Genetics, students should able to:
1. Define basic genetic terms.
2. Describe what chemical nature and structure of genetic materials are, how genes are expressed, and how gene expression is regulated.
3. Understand the chromosome structure, variation, gene mutation, and their effects.
4. Determine genotype and phenotype of progeny based on the parents’ genotypes or determine parental genotypes and phenotypes through analyzing their progeny’s genotypes and phenotypes.
5. Name and explain the basic molecular genetic techniques and their applications.
6. Extend knowledge learned in Genetics to other related areas, such as molecular genetics, quantitative genetics, population genetics, genomics, breeding, evolution, biochemistry, and biotechnology.

PREREQUISITES

None. But some biology courses would be helpful including Biological Sciences (BSC 2009), Integrated Principles of Biology 1 (BSC 2010), and Integrated Principles of Biology 2 (BSC 2011).

COURSE WEBSITE

E-Learning system, Canvas (https://elearning.ufl.edu) is the online source for all the learning resources. All lecture learning objectives and suggested reading materials are uploaded in “Files” folder of Canvas. Course announcements regarding general course information will be posted at Canvas throughout the semester. Students need to login with GatorLink username and password for access. If you do not have a GatorLink ID go to http://gatorlink.ufl.edu or to the Help Desk: 392-HELP for assistance.

REQUIRED TEXT AND EQUIPMENT

B. **Online Resources and Electronic Textbook**:

Achieve is an online assignments and tutorial system from the textbook publisher and is required for AGR 3303. Achieve will be offered at the **lowest cost** option through UF All Access. If you wish to have a print copy of the text they will be provided in the UF bookstore.

1. To gain access to Achieve click on the following link https://bsd.ufl.edu/allaccess. This prompts you to log in with your GatorLink account.
2. Students are shown a list of classes in which they are enrolled that are participating in UF All Access, with the prices.
3. Students should click the **Opt-in** check box next to the class they are trying to get access to.
4. Students then need to click the button below to authorize the charges.
5. You will be given a code.
6. Log in to Genetics on Canvas
7. Click on Assignment
8. Click on Achieve
9. Click on the link that indicates Achieve will open in a new window
10. Log in or create an account
11. Once Achieve is open click on the payment link
12. Enter the code you received when you opted in to UF All Access
13. **Need Help?**

   Answers to many common questions are found in our Student Support Community. If you need direct assistance you can also contact technical support: https://macmillan.force.com/macmillanlearning/s/.

C. **You are required** to have a webcam, headset/speakers and microphone. **NOTE: ProctorU will mail webcam/mic to you at the start of the term.** You’ll be using this for your ProctorU exams.

GRADING AND ASSIGNMENT SUMMARY
The final grades are based on the total points of the BEST FOUR out of FIVE exams (400 points) and the BEST TEN out of ELEVEN homework assignments (100 points).

- Exams: FOUR 100-point exams will be given over lecture material. Each exam will have 8 true/false questions worth 2 points each and 24 multiple choice questions worth 3.5 points each with a total of 100 points. An optional 100-point comprehensive final exam will be available for those that want to replace their lowest exam grade. All the exams will be proctored through Canvas and ProctorU.

- There will be NO make-up exams given. If you miss an exam you can take the comprehensive final to replace the missed exam.

- The four exam grades will be worth 80% of your final grade.

(Programmable calculators and phones are not allowed for use during exams).

- Homework: they will be delivered through Achieve. ELEVEN homework assignments due dates will coincide with weekly lectures. Ten best homework assignments will be used towards your final grade. Each homework worth 10 points for a total of 100 points. Your average homework grade at the end of the semester will be worth 20% of your final grade.

Grading scale for the course:

- A 90% (≥ 450)
- B+ 85% to 89.99% (425 – 449.95 points)
- B 80% to 84.99% (400 – 424.95 points)
- C+ 75% to 79.99% (375 – 399.95 points)
- C 70% to 74.99% (350 – 374.95 points)
- D+ 65% to 69.99% (325 – 349.95 points)
- D 60% to 64.99% (300 – 324.95 points)
- E < 60% (≤ 299.95 points)

Note: no minus grades are given

More information on grades and grading policies is here: https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx

**NOTE:** The instructor reserves the right to change any/all information contained in this and other materials in this course

**ONLINE COURSE EVALUATION PROCESS**

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at [https://gatorevals.aa.ufl.edu/students/](https://gatorevals.aa.ufl.edu/students/). Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via [https://ufl.bluera.com/ufl/](https://ufl.bluera.com/ufl/). Summaries of course evaluation results are available to students at [https://gatorevals.aa.ufl.edu/public-results/](https://gatorevals.aa.ufl.edu/public-results/).

**PROCTORED EXAMS**

To ensure the academic integrity of the degrees awarded by the University of Florida, this course proctors the midterm and final exams. UF Online students are proctored through ProctorU. For details on how this works, visit the [Proctored Exams Student Guide](https://gatorevals.aa.ufl.edu/proctoru-student-guide/). In order to use this service, you MUST have a webcam, headset or working speakers and a microphone. **A webcam/microphone will be mailed to you at the start of the term.** See the [ProctorU Technical Specifications](https://gatorevals.aa.ufl.edu/proctoru-technical-specifications/). Follow these steps for a trouble-free exam:

- **Sign up early!**
  - Set up your account during the first week of classes
  - Schedule your exam appointments as early as you can
- **Test your equipment well before your exam** (that means do it as soon as you receive your camera!)
  - Make certain that your webcam and microphone function properly
  - Go to the [ProctorU Testpage](https://gatorevals.aa.ufl.edu/proctoru-testpage/)
  - You are strongly urged to take the extra step to connect to a live person
  - Test your equipment again the day before your exam
• Download and install Google Chrome on your computer
  o Chrome is the only supported browser for ProctorU exams
• Use a wired connection
  o **This is the number one cause of problems with online exams!**
  o The extra load of the proctoring software can cause even the best wireless connection to fail—don’t take that chance!
  o [How to connect your Ethernet cable](#)
• Find a quiet and private location
  o You will not be able to take your exam in a coffee house or other public location
If you have not followed the steps listed above, any request for a makeup exam will not be granted.

SYLLABUS CHANGES

This syllabus is subject to change. Any changes will be announced well in advance of deadlines.

ACADEMIC HONESTY

As a student at the University of Florida, you have committed yourself to uphold the Honor Code, which includes the following pledge: “WE, THE MEMBERS OF THE UNIVERSITY OF FLORIDA COMMUNITY, PLEDGE TO HOLD OURSELVES AND OUR PEERS TO THE HIGHEST STANDARDS OF HONESTY AND INTEGRITY.” You are expected to exhibit behavior consistent with this commitment to the UF academic community, and on all work submitted for credit at the University of Florida, the following pledge is either required or implied: “ON MY HONOR, I HAVE NEITHER GIVEN NOR RECEIVED UNAUTHORIZED AID IN DOING THIS ASSIGNMENT.”

It is assumed that you will complete all work independently in each course unless the instructor provides explicit permission for you to collaborate on course tasks (e.g. assignments, papers, quizzes, exams). Furthermore, as part of your obligation to uphold the Honor Code, you should report any condition that facilitates academic misconduct to appropriate personnel. It is your individual responsibility to know and comply with all university policies and procedures regarding academic integrity and the Student Honor Code. Violations of the Honor Code at the University of Florida will not be tolerated. Violations will be reported to the Dean of Students Office for consideration of disciplinary action. For more information regarding the Student Honor Code, please see: [http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code](http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code).

SOFTWARE USE

All faculty, staff and students of the university are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against university policies and rules, disciplinary action will be taken as appropriate.

SERVICES FOR STUDENTS WITH DISABILITIES

The Disability Resource Center coordinates the needed accommodations of students with disabilities. This includes registering disabilities, recommending academic accommodations within the classroom, accessing special adaptive computer equipment, providing interpretation services and mediating faculty-student disability related issues. Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the Instructor when requesting accommodation.

0001 Reid Hall, 352-392-8565, [www.dso.ufl.edu/drc/](http://www.dso.ufl.edu/drc/)
GETTING HELP

For issues with technical difficulties for e-Learning in Canvas, please contact the UF Help Desk at:

- Learning-support@ufl.edu
- (352) 392-HELP - select option 2
- https://lss.at.ufl.edu/help.shtml

Any requests for make-ups due to technical issues MUST be accompanied by the ticket number received from LSS when the problem was reported to them. The ticket number will document the time and date of the problem. You MUST e-mail your instructor or TA within 24 hours of the technical difficulty if you wish to request a make-up.

Students experiencing crises or personal problems that interfere with their general well-being are encouraged to utilize the university’s counseling resources. The Counseling & Wellness Center provides confidential counseling services at no cost for currently enrolled students. Resources are available on campus for students having personal problems or lacking clear career or academic goals, which interfere with their academic performance.

- Student Complaints:

HARASSMENT

UF provides an educational and working environment that is free from sex discrimination and sexual harassment for its students, staff, and faculty. http://www.hr.ufl.edu/eeo/sexharassment.htm

DISRUPTIVE BEHAVIOR

Faculty, students, administrative and professional staff members, and other employees (hereinafter referred to as ‘member(s)’ of the university), who intentionally act to impair, interfere with, or obstruct the mission, purposes, order, operations, processes, and functions of the university shall be subject to appropriate disciplinary action by university authorities for misconduct, as set forth in the applicable rules of the Board of Regents and the university and state law governing such actions. Be advised that you can and will be dismissed from class if you engage in disruptive behavior. For more information: http://regulations.ufl.edu/wp-content/uploads/2012/09/1008.pdf
TWELVE-DAY RULE

Students who participate in official athletic or scholastic extracurricular activities are permitted twelve (12) scholastic day absences per semester without penalty. In any case, it is the student’s responsibility to maintain satisfactory academic performance and attendance.
